We welcome you and request your support for the Inwood Council 10756, as we host the 120th annual State convention in Inwood, by purchasing an advertisement in the 2022 Convention program. Every Convention participant will receive a program which will include the Convention schedule, welcome and support letters from our Supreme Knight and his representative, our State Deputy, State and local officials with greetings from Councils and Assemblies around our entire State of West Virginia. We are expecting to welcome approximately 100 attendees from around the State and the local area. The Convention dates are May 13 – 15, 2022, and this program offers a great opportunity to promote your business or to just wish the Brothers in Inwood much success. Let everyone in attendance see the history, hospitality and welcoming spirit of Inwood and Berkeley County.
