

WV State Council 121st State Convention Advertising order form

Please show your support for Clarksburg Council #872 by purchasing an ad in the 2023 Convention program. All Convention registrants will receive the program, which will include the Convention Schedule, and letters from our Supreme Knight, and his representative, State Deputy, local officials welcoming your representatives to the Convention, and the greetings from other Councils and Assemblies around the great State of West Virginia. There will be approximately 100 attendees from around the state and other areas. The convention dates are May 19-21, 2023. This is a great opportunity for the promotion of your business, or wish us success as Brother Knights. Let them see the history, local flavor, and hospitality of the North Central WV area of West Virginia, whetting their appetite to return soon.
